About

Highly motivated MCA graduate with **7+ years** of experience in a fast-paced environment, seeking to transition into a MERN stack developer role. Eager to apply strong problem-solving, analytical, and technical skills to contribute to innovative web solutions and grow within a dynamic team.

Experience

Path India ltd

2022-Present

Assistant (Toll operations)

Mhow

Data Reconciliation: Managed and reconciled **large datasets of 10,000+ toll transactions monthly**, ensuring 99% accuracy and identifying discrepancies to improve operational efficiency.

Remote Operations & Coordination: Collaborated with cross-functional teams, including IT, to resolve operational issues. Processed and analyzed reports, demonstrating attention to detail and communication skills.

Troubleshooting & Problem-Solving: Remotely investigated and resolved cash discrepancies, requiring strong analytical and deductive reasoning. Documented processes and provided training to other team members.

Reporting & Collaboration: Generated and delivered **weekly operational reports to management**, ensuring data accuracy and timely communication. Collaborated effectively within a **5-member team** to consistently meet project deadlines.

Path India .ltd

2018-2022

Chargeback Specialist

Mhow

"Fastag Dispute Resolution: Investigated and **resolved an average of 150+ customer chargeback requests Daily** related to incorrect Fastag deductions, analyzing transaction data and CCTV footage to ensure accurate resolutions. "

Education

Sage University, Indore

2022-2024

Master of computer applications

 <https://sageuniversity.in/>

Projects

Mini Ecommers Wesite

 <https://ecommerce-five-lyart-56.vercel.app/>

"Developed a responsive e-commerce website showcasing strong frontend skills in HTML, CSS, JavaScript, and React. Implemented key features such as **product listing, dynamic cart functionality, and user authentication**. Designed a user-friendly interface to provide a seamless and visually appealing shopping experience."
